Employee Acknowledgements

I have received and read information regarding <Your Organization> Whistleblower Policies and the resulting Telesentry Hotline. I understand that his hotline is available for me to report any issues or concerns that I might have relating to audit or accounting practices. The Hotline is available to me to use at anytime, 24 hours per day, 7 days per week. I understand the Telesentry will create an intake call sheet that will contain all pertinent information relayed by me and will make best efforts to eliminate and information that might jeopardize my anonymity.
